Dear Members, Friends, Neighbors and Supporters:

Thank you for your interest in Twin Brooks Horse Show Association. Originally founded in 1952, the Twin Brooks Horse Show Association has been a long-standing icon of the horse community. Our show grounds are conveniently located in the heart of Dauphin County along Route 39 just a few miles west of I-81, Exit 77. We attract participants and spectators from all over Pennsylvania, Maryland, New Jersey, and Delaware.

This year, we have plans to make major improvements to our outside ring by excavating the area and installing new footing. These improvements to our grounds can only be made with the generous support of our members and supporters. Your contribution can help us remain one of the premier horse organizations in the Central PA area. In addition to our ground improvements, there are lots of exciting changes and additions to our show schedule this year. Be sure to check our website www.tbhsa.com for the current schedule of events and club news.

In this packet you will find information on the donor levels and benefits. We invite you to make a contribution to Twin Brooks Horse Show Association and the local horse community through one of our sponsorship levels. We also invite you to volunteer your time and talents to see first-hand how your sponsorship is being put to use. Volunteer opportunities are available both behind the scenes and on show days.

If you have questions about the Twin Brooks Horse Show Association please contact me at TwinBrooks1952@hotmail.com and I will be happy to speak with you personally about opportunities that may exist.

Regards,

Marisa Chew

President
