Beaufort Hunt has a scheduled paperchase. Clean up was discussed. Beaufort Hunt only has permission for the scheduled date and no one should ride on the owners' property outside of that scheduled event.

A discussion of the shed took place. Marisa Chew reported the price of a pre-fab may be cheaper than going with the roof repair. It was found that the quotes for the roof were very high. The electric requirements were discussed and the work needed to connect it to a pre-fab building. The consensus was that Marisa would investigate pre-fab options and a special meeting would be held to vote on the decision.

Mary Ann Ruud motioned to adjourn the meeting. Sue Yohn seconded the motion. The motion carried. The meeting adjourned at 12:40.
