Table IV Sec I - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the case of equality of faults, ties will be broken on the following basis: an “Optimum Time” (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc. 1st-6th ribbons awarded.

Power & Speed Table II Sec.2(d) – Each phase will consist of 5 to 7 obstacles. Scores are decided by adding together the faults incurred over both phases and any penalties for exceeding the Time Allowed if any. Whether or not a competitor has gone clear in the first phase, they will, upon crossing the finish line, commence the second phase course.
